

Suicide Prevention Program

Student Name _____ Student ID _____ Grade _____ Date of Birth _____

The Utah State Legislature, in an effort to address teen suicide, requires that secondary schools offer a suicide prevention program. As part of Jordan School District's suicide prevention program, a presentation on warning signs for suicide, risk and protective factors, as well as resources available for help will be given in one of your student's classes during his/her regular school schedule. Information on this presentation can be found at wellness.jordandistrict.org. We anticipate that by the end of the 2024–2025 school year, every child of secondary age will have had an opportunity to receive this important information.

If you would prefer **NOT** to have your child participate, please check the box and sign below. Thank you for your cooperation.

I do **NOT** want my child to receive this important information regarding suicide prevention.
