

# CTE Internship

Are you ready to move out of the classroom and experience on-the-job training? Do you want to have an internship on your resume or college application? Internships allow you to explore your career interests as part of your high school experience! Find opportunities in agriculture, education, criminal justice, health care and many more!

Agriculture

## HOW IT WORKS

- Be a junior or senior with a career goal.
- Have your own transportation.
- Sign up for **CTE Internship** at JATC North Campus. This is a semester course taught 4th or 8th period.
- Have 3 available hours per week for your internship.
- It is helpful if students arrange their own internship site, however we have many ideas and contacts.
- Have classroom experience in your area of interest.
