

## **Riverton High School Parking Contract**

Student parking permits are available exclusively to Riverton High School Junior and Senior students on a first come, first served basis for a \$20.00 fee. Permits must be purchased through Rydin Permit Express using a link that will be provided to students in July. Before purchasing a permit, students are required to:

- Carefully read through the Riverton High School Parking Contract, and
- Successfully complete a parking quiz based on the contract content with 100% accuracy.

Once the permit is purchased, Rydin will mail the parking permit directly to the home address provided by the student during the registration process.

### **1. Permit Guidelines:**

- Your permit allows you to park in designated student parking areas only.
- Only one permit per household is permitted. **(No Exceptions)**
- Possessing a permit does not guarantee you a parking space. Students who are unable to secure a parking spot on campus will need to park on 2700 W. on the West side.

### **2. Permit Replacement:**

- If you switch vehicles for the remainder of the school year, you must return your old permit (or as much of it as possible) and purchase a replacement permit for a \$10.00 fee.
- Permit replacement decals are only approved by the Parking Administrator.

### **3. Temporary Permit:**

- If a student's regular vehicle is temporarily unavailable due to repairs, servicing, or a temporary swap with a parent's vehicle, they must obtain a temporary permit from the Main Office for the duration of time they will be using a different vehicle.
  - There is no fee for a temporary permit for current permit holding students.
  - Students must display the temporary permit in their vehicle while parking on campus.
  - Failure to obtain a temporary permit will not excuse any parking violations.
  - Students will be responsible for paying any tickets or boot fees incurred due to failure to obtain a temporary permit.
  - Temporary permits may be issued to non-permit holding students for extenuating circumstances at the discretion of the parking Administrator for a \$20.00 fee.

### **4. Permit Placement:**

- Permits must be firmly secured to the lower left-hand corner of the windshield **on the driver's side.**
- Taping the permit to the windshield or using plastic sleeves is strictly prohibited and will result in a ticket being issued.

### **5. Safety & Compliance:**

- Weapons, drugs, stolen property, or any illegal substances are strictly prohibited in vehicles on school property.
    - School officials, under district policy [AS68 \(Search and Seizure\)](#), have the authority to search any vehicle if they have reasonable grounds to believe it contains prohibited or illegal items.
    - Violations of this policy may result in suspension, citation by law enforcement, and/or permit revocation.
6. **Parking Regulations:** Parking on Riverton High School property is a privilege and comes with clear expectations. All students must abide by the following regulations to maintain their parking privileges. Violations will result in fines, booting, towing, and/or revocation of parking permits.
- **General Parking Rules:**
    - Students with a valid permit may park in designated student areas, including the Driver's Education Range during school hours.
    - All vehicles parked in the Driver's Education Range **must be moved by 2:45 PM daily.**
    - Failure to move a vehicle by this time may result in towing at the owner's expense.
  - **Parking Violations & Consequences:**
    - **Parking Citations:**
      - \$20.00 fine per offense.
      - Lost tickets do not excuse payment.
      - **All parking fines are final. No exceptions will be granted to parking citations issued.**
    - **Vehicle Booting:**
      - A boot will be applied upon a student's third parking violation (excluding warnings).
      - Booting will occur regardless of whether previous tickets have been paid.
      - All unidentified vehicles (without valid permits) found in violation of parking rules will be automatically booted on the first offense.
      - **Boot Removal Requires:**
        - \$75.00 removal fee
    - **Towing:**
      - Vehicle's may be towed at the owner's expense if they are:
        - Parked in handicapped zones without proper authorization.
        - Blocking traffic or parked in red/yellow zones.
        - Involved in unsafe or reckless driving.
        - Parked in 24-hour reserved parking stalls (e.g., administrator, maintenance, or specially designated spaces).
  - **Permit Revocation:**
    - Unsafe or reckless driving results in immediate loss of parking privileges.
    - Repeated parking violations and citations may lead to permit revocation.

7. **Counterfeiting & Unauthorized Use of Parking Permits (CRITICAL):** Riverton High School takes parking permit fraud seriously. Any attempt to falsify or misuse a permit will result in severe consequences. **To prevent fraud, anti-counterfeit parking permits have been implemented.**
- **Counterfeiting includes, but is not limited to:**
    - Copying or scanning a parking pass to distribute.
    - Creating or using a fake parking pass.
    - Giving your parking pass to another student.
    - Using someone else's parking pass.
  - **Counterfeit/Fraud Violation Consequences:**
    - Immediate revocation of parking pass.
    - Loss of all campus lot parking privileges for the remainder of the year.
    - Potential disciplinary action.
    - Ineligibility for future parking permits.
8. **Liability Disclaimer:** Jordan School District and Riverton High School assume no responsibility for:
- Theft
  - Lost items
  - Vandalism
  - Accidents
  - Any damage involving permitted vehicles or drivers on school property.
