Prerequisites

Many courses are recommended to take in a specific order (take a level 1 course before advancing to level 2). Please refer to the course catalog for details about specific prerequisites and other course information.
If you have more than 2 quarters of credit recovery, you may be eligible to take a GAP credit recovery class. Visit with your counselor to request assistance.

Credit Recovery

If you have more than 2 quarters of credit recovery, you may be eligible to take a GAP credit recovery class. Visit with your counselor to request assistance.

Which credits do you need for graduation?

1. Log into Skyward.
2. Select Graduation Requirements on the side menu.
3. Everything in red is what you have remaining; this will include classes you haven't taken as well as credit recovery.
4. If you have questions, please reach out to your school counselor.

Courses Recommended by Your Teachers:

Consult with your current teachers to select the most appropriate classes. Use this space to make notes prior to making your course requests.

Language Arts ● LA 10 ● LA 10H ● LA 11H (if LA 10 is already completed)	
Social Studies ● World History ● AP World History ● AP European History	
Math ● Secondary Math 2 ● Secondary Math 2H ● Secondary Math 3 ● Secondary Math 3H ● Supplementary Math Lab (Elective)	
Science ● Biology ● Chemistry ● Physics (You need 2 CORE science and one APPLIED science credits for graduation.)	
Other Courses ● For other course recommendations, speak with those teachers and write down those classes here (Auditions, applications, prerequisites, or teacher approvals).	

Other Considerations

Special Education Students	Multilingual Students
Our Special Education Team will consult with your current case managers to help select the appropriate courses that match your specific IEP requirements.	Our ML Team and counselors will review WIDA test scores and progress to assist in selecting appropriate courses. WIDA testing takes place in February each year. Students needing additional English language support may have an additional English Language Development course available.
Release Time (Seminary)	**Concurrent Enrollment**
This is a NON-CREDIT, off-campus religion class. Selecting Release Time (Seminary) will affect the number of total credits by 1.0 each year. Your total credits will show 7.0 credits instead of 8.0.	These COLLEGE-LEVEL courses count as BOTH high school AND college credit and will be on your future college transcript.
JATC - Jordan Academy for Technology and Careers	**Enhanced Diplomas**
These courses are off-campus and may require independent transportation. Limited busing is provided between the JATC and Riverton High School. Visit jordantech.org for details.	Start now working towards achieving an enhanced diploma. Go to rivertonhigh.org or visit the counseling center for details.
